CHRIST CENTRED  
SPIRIT FILLED  
BIBLE BASED

Sunday 29/01/2012

Dear B.P.C.,

We are into week 2 of our series: Being the Church.

I left each service last Sunday very happy; the singing had been good (except for one old song which I thought we know well but see we don't - my error); attendance was good, and the "vibe" was good. How do we measure the blessing of God's Presence?

He's always, always here. But when things go well @ worship it is like being in tune, having your radio dial @ the right spot. Our part in this is to be sure we carry no static: So prepare now: Be silent for a while, Be open to learn, Be kind to all around, sing well, forgive all & anyone who has hurt you; ask for the Holy Spirit to bless us: Be the Church! Much love, Rod

## **COMBINED BPC MEETING : WEDNESDAY 1 FEBRUARY 2012**

We are privileged to have Leonora van Tonder, training director of Healthcare Christian Fellowship International in the Philippines, present a seminar on the 'EFFECT OF EMOTIONS ON HEALTH' on Wednesday 1 February 2012 at 19:30 at BPC.

This is a wonderful opportunity to come and listen to a very experienced and insightful lady on an extremely relevant topic.

All are welcome!

We ask that home groups set aside their normal programs and come and enjoy excellent teaching and good fellowship.

---

A big THANK YOU to all of you who have volunteered to help with SUPER SCHOOL. We now have plenty of teachers for the year!!
