

Update July 2020

Greetings from the BRP Team...

Much has happened since the announcement of the “Botsis Retirement Project” in March of this year. Lockdown caused us to postpone the launch of fundraising until we had a better understanding of how things would change around us.

Eventually, in early June - when we felt we could not wait any longer - we issued invitations for donations far and wide.

A huge vote of thanks to the volunteers who did a wonderful job of creating a comprehensive communication strategy by setting up a database of members past and present, as well other potential donors to this worthy cause. They also ensured that we would be able to contact everyone via their preferred means of communication.

If there is anyone you think we may have missed, please send us their details to finance@bpc.org.za and we will add them to our list of potential donors.

Two important letters have been sent out to everyone on our database so far and can be found on BPC’s website at <https://www.bpc.org.za/blog/news/>

1. Launch Letter March 2020
2. Fundraising Letter June 2020

We are delighted and most grateful to those who have already made donations. To date we have raised just over R50000 which represents an encouraging start to the project.

We would advise those who are still planning to donate to consider that making smaller regular donations over the months ahead may be less impactful in these difficult times. The closing date of this fund raiser is June 2021, so time is not the issue!

Finally, we would ask that the project would be held up in all our prayers so that we may see the successful completion of the project in 2021.
