

Update November 2020

Greetings from the BRP Team...

Christmas 2020 is almost upon us! May the true Spirit of Christmas be a blessing to everyone.

It is hard to believe that a year has flown by since the Botsis Retirement Project was conceived and the planning put in place.

And what a year it has been and what changes to our lives!

Many faced incredible hardships and some endure deep, personal loss.

Our pattern of worship changed: worshipping using YouTube ... booking a place at Sunday Service ... social distance greetings ... trying to recognise the people behind the masks ... and silent singing in our minds.

However, despite what 2020 threw at us, so many of you have responded wonderfully and generously to the vision of the BRProject ... and with nearly R150 000 already received we are confident that the project will be able to fulfil its goal.

The Team expects the Municipal approval to be complete before the end of the year and so we are now beginning with the implementation planning so that we are ready to start putting things in place from January 2021.

Just as a reminder everyone ... all documents relating to the project that have been sent out so far to everyone on our database can be found on BPC's website at <https://www.bpc.org.za/blog/news/>:

1. Launch Letter March 2020
2. Fundraising Letter June 2020
3. Update July 2020
4. Update September 2020, and now...
5. Update November 2020

If there is anyone you think we may have missed out, please send us their details to finance@bpc.org.za and we will add them to our list of potential donors.

We would encourage those who are still planning to donate to consider that making smaller regular donations over the months ahead may be less impactful in these difficult times. The closing date of this fund raiser is June 2021, so time is not the issue!

Finally, we would ask that the project would be held up in all our prayers so that we may see the successful completion of the project in 2021.
