7 April 2019

Dear Friends,

### Welcome to Mission Awareness Sunday

Twice a year we try to focus on Missions, Missionaries and Mission work. It sounds very odd to say "twice a year" as the Church lives by, and lives for the obeying of Jesus command for us to go into all the world and make disciples. That's our daily task: to be "missionaries" where we live to work.

But please don't feel guilty nor come to worship with guilt. That is focussing on ourselves. Instead:

- be thankful for those who first taught you about Jesus.
- be thankful for those who brought the Good News of Jesus to South Africa from which all churches have come.
- be thankful for those who passed on the Good News of Jesus. The early churches like those in the New Testament.
- be thankful for Philip who taught Jesus to the Ethiopian and so the Good News came firstly to Africa (read Acts 8: 26 onwards).
- be thankful for the Apostles (can you name all 12? Read Mark 3: 16-19) who did what Jesus asked: They showed the Good News about Jesus.

And when I say "Be thankful", I really mean "Stop! And say "Thank you, Lord Jesus for ..." and these beautiful "Missionaries" who have touched your life.

Today we welcome Peter Tarantal from Operation Mobilisation. He is a very gifted brother in Christ. He and his wife Kathi are a blessing to the church.

Worship well, full of thankfulness.

Love, Rod

Minister: Rod Botsis (082 921 5179)
