

Update February 2021

Greetings from the BRP Team...!

In our January Update we reflected on how quickly time has passed since the conception and launch of the Botsis Retirement Project and how the time has come for us to pick up the pace and give real substance to the dream of blessing Rod and Mandy in this very special way.

Now it has suddenly become even more urgent for us to hasten things along ... because ... Rod and Mandy have announced – as many of you may know – that, with the blessing of all concerned, Rod will be retiring on the 2nd of May 2021.

By agreement with Rod and Mandy, the actual construction work on the Retirement Project will now commence around mid-May, once all the retirement formalities have passed and the Retirees have begun settling into their new lives.

An Implementation Team has now been established, plans submitted, work streams identified, costings reviewed and confirmed, and quotations will be gathered during March.

Logistical arrangements for when work is actually in progress have also been put in place.

Now, again, thank you so, so much to everyone who has generously donated to the project so far. For those folk still intending to donate ... your gifts will still be gratefully received ... and, if possible, it would help us if your donations could be received by the end of April – so that we have a clearer view of how much will finally be available. We repeat our assurance that every last Rand will be used to bless Rod and Mandy.

Just as a reminder everyone ... all documents relating to the project that have been sent out so far to everyone on our database can be found on BPC's website at <https://www.bpc.org.za/blog/news/>:

If there is anyone you think we may have missed out, please send us their details to finance@bpc.org.za and we will add them to our list of potential donors.

Finally, we would ask that the project would be held up in all our prayers so that we may see the successful completion of the project in 2021.
