

June 2021

Greetings from the BRP Team ☺

Well, it's been and gone!! The long planned for ... and long awaited retirement on 2nd of May.

Reports have it that both Rod and Mandy have enjoyed their first few weeks of retirement and are adjusting to having time on their hands.

At the Retirement Service we announced that we were poised to commence construction of Rod's study towards the end of May. Sadly, we must report that our 'construction manager' Louis Coetzee ... a professional in the construction industry ... has come down with COVID. As a result, and in consultation with Rod and Mandy, the work is now scheduled to commence as soon as possible in July - to allow Louis time to recover. Please join us in praying for Louis and his family.

We are pleased to report that there have been further donations since the previous update and the total now stands at R331 265.74. Again, thank you so, so much to everyone who has generously donated to the project so far. We are planning to keep the account open until all the work has been completed and all expenses paid ... and we will then formally announce the closure of the project. So, if there are folk still intending to donate ... your gifts will still be most gratefully received.

The only expenses incurred recently have all related to municipal planning approval. As soon as actual construction expenses begin being incurred we will provide regular and detailed updates. We repeat our assurance that every last Rand will be used to bless Rod and Mandy.

For anyone who may have missed the Retirement Service ... you can still view it on: <https://youtu.be/7S-DjoU7zNI>

Just as a reminder everyone ... all documents relating to the project that have been sent out so far to everyone on our database can be found on BPC's website at <https://www.bpc.org.za/blog/news/>:
